# 3 Lecture - ENG101

## **Important Subjective**

#### 1. What is the main purpose of identifying the main idea of a text?

**Answer:** The main purpose of identifying the main idea of a text is to understand the central message or thesis of the text.

## 2. What is the topic sentence?

**Answer:** The topic sentence is usually found at the beginning of a paragraph and it introduces the main idea of that paragraph.

## 3. How can repeated ideas help in identifying the main idea?

**Answer:** Repeated ideas can help in identifying the main idea by highlighting the most important message or theme of the text.

## 4. How does identifying the tone of a text help in identifying the main idea?

**Answer:** Identifying the tone of a text helps in identifying the main idea by providing insight into the author's attitude toward the subject matter.

#### 5. Where is the main idea usually found in an argumentative essay?

**Answer:** The main idea is usually found in the thesis statement, which is typically located in the introduction of an argumentative essay.

#### 6. Why is it important to read critically after identifying the main idea?

**Answer:** It is important to read critically after identifying the main idea to question the author's arguments and evidence and consider the context and any biases.

## 7. What is the purpose of previewing a text before reading?

**Answer:** The purpose of previewing a text before reading is to get a sense of what the text is about and what to expect.

## 8. How can active reading help in understanding the main idea of a text?

**Answer:** Active reading can help in understanding the main idea of a text by engaging with the text and summarizing key points.

- How can practicing reading comprehension help in improving overall reading skills?
  Answer: Practicing reading comprehension can help in improving overall reading skills by developing the ability to understand and interpret written text.
- 10. What are some strategies for identifying the main idea of a text?

**Answer:** Strategies for identifying the main idea of a text include looking for the topic sentence, identifying repeated ideas, analyzing the tone and structure of the text, and considering the context of the text.
